## ZAKLADA HRVATSKIH STUDIJA

PROMOTING THE STUDY OF CROATIAN LANGUAGE, CULTURE AND HISTORY

### CROATIAN STUDIES

The Croatian Studies program at Macquarie University in Sydney was established in 1983, and is the longest-running program of Croatian language, culture and literature outside of Croatia.

The Croatian Studies Foundation of Australia & New Zealand (CSF) was founded in August 1984 on the recommendation of lecturers who wanted to safeguard the future of the Croatian Studies program. Today, CSF members include prominent Croatian organisations, clubs, institutions and individuals Australia-wide.

Even though the number of Croatian speakers in Australia is in decline, enrolment in Croatian Studies remains high. Units can be studied on-campus at Macquarie University or online. Our students come from all over Australia, and even though they have differing ages and backgrounds all are united in their goal to learn the Croatian language.

### THE CSF AIMS TO:

- Provide financial resources to maintain the operational continuity of the Croatian Studies Centre at Macquarie University for current and future generations of Croatian Australians
- Promote the study of Croatian language, literature and culture
- Encourage and enable future generations to participate in the Croatian Studies program and to develop as teachers, lecturers, translators and other Croatian language specialists
- Enable the continuation of the research and publishing initiatives of the Croatian Studies Centre
- Organise conferences, seminars, workshops and lectures that contribute to a better understanding of Croatians, their language, history and culture

PROMICATELJ STUDIJA I UČENJA HRVATSKOGA JEZIKA, KULTURE I POVIJESTI

### HRVATSKI STUDIJI

Hrvatski studiji na Sveučilištu Macquarie u Sydneyju, utemeljeni 1983. godine, najstariji su izvan-domovinski studiji hrvatskoga jezika, kulture i književnosti.

Na prijedlog tadašnjih predavača na Hrvatskim studijima u kolovozu mjesecu 1984. godine osniva se Hrvatska znanstvena zaklada za Australiju i Novi Zeland (HZZ). Zakladu čini velik broj hrvatskih udruga, klubova, ustanova i pojedinaca diljem Australije.

Iako je broj govornika hrvatskoga u Australiji u opadanju, na Hrvatskim broj studenata ne opada nego čak pomalo raste. Naši studenti su različtoga podrijetla i različite dobi, združeni u odlučnosti naučiti hrvatski jezik. Svi predmeti ili kolegiji mogu se studirati na kampusu Sveučilišta Macquarie, kao i online, a naši studenti dolaze iz svih krajeva Australije.

### CILJEVI SU ZAKLADE:
